

Samsung drives. Samsung style.

Samsung's new, modern USB 3.0 flash drives are the latest in an advanced line of ultra-portable memory products. Three options offer the design, reliability, performance and quality you've come to expect from Samsung—the most trusted name in memory.

Samsung USB 3.0 Flash Drive BAR

Capacity: 16GB, 32GB, 64GB, 128GB*

The high-quality metal casing of the BAR offers a modern look and durability, while the streamlined, ergonomic design makes the drive easier to use. And with Samsung's reliability, data stays safe.

Samsung USB 3.0 Flash Drive FIT

Capacity: 32GB, 64GB, 128GB*

The high-quality, metal-based design of the FIT offers durability. And its super-compact size is perfect for the car or the office. It's reliability and performance in a beautiful, small package.

Samsung USB 3.0 Flash Drive DUO

Capacity: 32GB, 64GB, 128GB*

The DUO offers best-of-both-worlds flexibility in a sleek, captivating design. With both a standard and a micro USB connection, the DUO is the all-purpose drive for smartphone, tablet and PC.

*128GB is subject to market availability.

SAMSUNG

When form and function collide.

This new suite of slim and sophisticated USB flash drives offers robust NAND flash technology, 5-proof durability and a 5-year warranty. Samsung continues to stay ahead of the industry, with SuperSpeed USB 3.0 for fast data transfer and backup, and backwards compatibility with USB 2.0.

Samsung USB 3.0 Flash Drive BAR

The no-bulk, metallic design of the BAR offers aesthetic appeal, while the larger key ring hole is practical, preventing loss of important data.

Capacity	16GB, 32GB, 64GB, 128GB*
Interface	USB 3.0 type A (USB 2.0 compatible**)
Transfer rate***	Sequential read: Up to 130MB/s
Dimension (W x H x T)	12.2mm x 40mm x 10.92mm
Weight	Approx. 8.9g
